

INDEX TO VOLUME XIX

Book Reviews and Editorials are grouped together and are indexed under those headings in alphabetical order.

- Abdomen, upper, 335
- Abdominal disease, 708
- Abdominal surgery, pulmonary complications, 967
- Achilles tendon, 514
- Acquired Short Fourth Metatarsal, W. L. Minear and S. M. Chasten, 1171
- Acrizane Chloride—A Promising New Skin Antiseptic, P. B. Price and B. L. Wilson, 792
- Acuff, H., and Hall, J. H.: Thoracoabdominal Approach to the Upper Abdomen, 335
- Acute Appendicitis in Children, D. B. Corcoran, 874
- Acute Diverticulitis of the Cecum: A Report of Six Cases, C. C. Collins, 1137
- Acute Gastroduodenal Perforation: An Analysis of Forty-four Cases Treated by Immediate Gastrectomy, H. LeR. Brockman, D. A. Cooley and M. E. De Bakey, 182
- Acute Head Injury: A Review of One Thousand Cases, A. W. Ulin, H. L. Rosomoff, D. Berkowitz and A. K. Olsen, 226
- Acute Intestinal Obstruction with Special Reference to Adhesions and Adhesive Bands, J. M. Parker, 262
- Acute Obstruction of the Left Colon, T. J. Anglem and R. A. Kenworthy, 1162
- Acute Pseudomembranous Enterocolitis Simulating Acute Surgical Diseases of the Abdomen, G. L. Hansboro and T. E. Ferrell, 82
- Adenocarcinoma, urachus, 458
- Adenoma, islet cell, 1175
- Adhesions, see acute intestinal obstruction, 262
- Adhesive bands, 262
- Adrenocortical tumors, 833
- Agents, antibacterial, 294
- Alley, F. H.: See Hardy
- Amebiasis, cutis, 148
- Ampulla of Vater, 523
- Ampullary region, 310
- Amputation, leg, 623
- Amspacher, Wm. H.: See Creech
- Anastomosis
 - carotid-jugular, 765
 - secondary, 386
- Anatomy, Physiology and Technical Considerations in Inguinal Hernia, Editorial, E. G. M. Krieg, 910
- Anesthesia and respiration, 812
- Anesthetic solution: local, 349
- Aneurysms
 - aortic, 603
 - false, 78
 - mycotic, 202
- Anglem, T. J., and Kenworthy, R. A.: Acute Obstruction of the Left Colon, 1162
- Ankle fractures, 213
- Annular Pancreas, K. B. Castleton, R. P. Morris and A. J. Kukral, 38
- Anorectal conditions: management, 382
- Anterior Compartment (Anterior Tibial) Ischemia Syndrome, Wm. H. Moretz, 728
- Antibacterial Agents in Experimental Strangulation Obstruction, I. Cohn, Jr., 294
- Antibiotics
 - influence, 107
 - surgical drainage, 858
- Anticholinergic drug, 896
- Anticoagulant therapy, 221
- Antihistamine drugs, 1152
- Antiseptic acrizane chloride, 792
- Antrenyl, clinical evaluation, 896
- Anxiety states, treatment, 374
- Aorta
 - growing pigs, 915
 - thoracic, 1096
- Aortic aneurysms, therapy for, 603
- Appendiceal Calculi, A. G. Yancy and T. L. Jackson, 279
- Appendicitis
 - acute, 1000
 - atypical, 1064
 - in children, 874
- Appendicitis, Antibiotics and Surgical Drainage, E. F. Fowler and J. A. Bollinger, 858
- Appendicitis: Trends in Management, J. T. Mauldin, 629

- Appendix, carcinoma, 1111
 Arm pain, treatment, 302
 Arterial homografts, 915
 Arteriosus, patent ductus, 964
 Arteriovenous fistula, 78
 Artery, superior mesenteric, 202
 Arthritis, degeneration, 981
 Ashkenazy, M., and Crawley, J. W.: Value of Serial Studies of Cerebrovascular Permeability with Radioactive Iodinated Serum Albumin and the Scintillation Counter Particularly in the Detection of Neurosurgical Lesions, 155
 Atresia
 congenital, 1012
 esophageal, 569
 Atwell, S. W.: See Overholt
 Atypical Appendicitis—Its Peculiar Problems and Complications, V. A. Bradford, 1064
 Ault, G. W.: Carcinoma of the Rectum, 1035
 Auscultation, in diagnosis, 708
 Banet, S. R.: See Parsons
 Barden, R. P., and Ritter, V. W.: Premalignant Lesions of the Gastrointestinal Tract: II. The Significance and Management of Polyps of the Colon, 1045
 Barrett, W.: See Rogers
 Baskin, M. J.: See Sawyer
 Baylor University College of Medicine, Foreword, W. H. Moursand, 95
 Bell, R. H.: Management of Common Anorectal Conditions with Special Emphasis on Prevention of Pain, 382
 Benign Giant Cell Tumor of Bone, S. Krantz, 636
 Benton, B. F.: Femoral Embolism Simulating Thrombophlebitis, 258
 Berkowitz, D.: See Ulin
 Berman, E. J.: See Berman, J. K.
 Berman, J. K., Habegger, E. D., and Berman, E. J.: Effects of Antihistamine Drugs on Fibroplasia, 1152
 Bible, L. A.: Review of the Diagnosis and Treatment of Toxic Goiter, 1005
 Bile ducts
 atresia, 1012
 reconstruction, 867
 Bile Peritonitis-Sequelae and Treatment, D. L. Maguire, Jr., 946
 Bindebeutel, D.: See Starkloff
 Bleeding as a Complication of Diverticulosis or Diverticulitis of the Colon, Wm. C. Quinn and A. Ochsner, 397
 Bleeding Gastric Ulcer Requiring Partial Gastrectomy in a Patient Receiving Cortisone, G. A. Higgins and R. D. Rider, 275
 Boland, J. H.: Subdeltoid Bursitis, 892
 Bolin, V. S.: See McDonald
 Bollinger, J. A.: See Fowler
 Bone tumor, 636
Book Reviews
 Atlas of Surgical Exposures of the Extremities, S. W. Banks, 913
 Burns—Compiled and Edited by Nathan A. Womack, 1192
 Functional Neuroanatomy, W. J. S. Krieg, 912
 Injuries of the Spinal Cord, G. E. Prather, 1193
 Local Analgesia: Abdominal Surgery, R. R. MacIntosh, 913
 Pathology in Surgery, E. F. Hirsch, 1014
 Physical Examination of the Surgical Patient, J. E. Dunphy, 912
 Short Practice of Surgery, H. Bailey, 1120
 Surgery of Infancy and Childhood, R. E. Gross, 1120
 Surgery of the Oesophagus, R. H. Franklin, 1119
 Surgery of the Pancreas, R. B. Cattell, 1119
 Thoracic Surgery and Related Pathology, G. E. Lindskog and Wm. H. Carmalt, 1193
 Trichlorethylene Anaesthesia, G. Ostlere, 913
 Bowel (small) obstruction, 880

 major, 287
 treatment, 1104
 Bursitis, subdeltoid, 892
 Calculi
 appendiceal, 279
 vesical, 1184
 Call, D. W.: See Hicken
 Canale, S. L.: See Kaplan
 Cancer
 breast, 1087, 1116
 colon, 121
 diagnosis, 650
 Cancer of The Thyroid, A Review of Forty-seven Cases, B. F. Wooldridge, 1028
 Carcinoid of ileocecal valve and cecum, 1180
 Carcinoma
 advanced, of stomach, 680
 ampulla of Vater, 523
 breast, 1087, 1116, 1144
 colon, 59
 lung, 1, 846
 operation for, 489
 pancreatoduodenectomy for, 310
 papillary, of thyroid gland, 1189
 primary, of appendix, 1111
 Carcinoma of The Cecum Associated with Acute Appendicitis, E. K. Robinson and R. W. Ernst, 1000
 Carcinoma of The Rectum—Factors Responsible for Recurrent or Residual Disease, G. W. Ault, 1035
 Carcinoma of the Stomach—A Challenge to the Physician, H. W. Mayo, Jr., 675
 Cardiac disease, 503
 Caroe, A.: See McNeill
 Carotid-jugular anastomosis, 765
 Castleton, K. B., Morris, R. P., and Kukral, A. J.: Annular Pancreas, 38
 Caubel, W. G.: Late Complications Following the Removal of the Ruptured Spleen, 1083
 Cecum and ileocecal valve, 1180
 Cecum
 carcinoma, 1000
 diverticulitis, 1137
 Cerebrovascular permeability, 155
 Certain Practical Considerations in the Management of Carcinoma of The Lung—Based on an Analysis of Two Hundred and Thirty-five Fatalities, F. F. Boyce, 846
 Cerulea dolens phlegmasia, 756
 Cervix, cancer, 650
 Challenge of the Internship and Residency Problem, H. L. Calud, 585
 Chapman, D. W.: See Cooley
 Chasten, S. M.: See Minear
 Chest, stomach extension into, 721
